Digital Marketing for Cross-border E-commerce: Workshop on Global Branding and Marketing Strategies 2023 Open to Applications

As digital technologies are at the forefront of development of global trade and provide a unique opportunity for countries to accelerate their industrial transformation and digital upgrading, it is imperative for governments, enterprises and digital service providers (DSPs) to initiate dialogues and facilitate exchanges of expertise on effective digital marketing strategies and brand-name programs in the international market. In this context, the 2023 training workshop on cross-border digital marketing aims to provide a learning platform for government agencies and enterprises of countries, including the Group of Friends of the Global Development Initiative (GDI) to cultivate specialized talent in the area of digital marketing of cross-border E-commerce and inject new momentum into increasingly digitally-connected global transactions.

Innovation Training Base of the Global Development Promotion Center

Annex 1

Digital Marketing for Cross-border E-commerce: Workshop on Global Branding and Marketing Strategies 2023 Registration Form

Family Name		Given Name	
Gender		Nationality	
Organization		Job Title	
E-mail		WeChat ID	
What are the issues you encounter with branding and product marketing in Cross-border E-commerce?			
Other things you want to know or your suggestions for the topics and methods in relation to the training?			
Date (YY/MM/DD)			

Note: Please complete the form and provide a valid email address and WeChat number (Please download the instant messaging tool WeChat in advance, and sign up with your mobile phone number) to help our staff contact you in an efficient manner.

Annex II

Instruction: How to use WeChat

WeChat is one of the most popular apps in China. Throughout the seminar, WeChat will be used as the instant communication tool between participants and seminar coordinator. Download the latest version of WeChat APP on your mobile phone. Open the WeChat app, tap “Sign Up” and “Sign up with mobile”, choose your region code, enter your mobile and set a password. One mobile phone number can only be used for creating one WeChat account.

Step by Step Instructions

Step 1: Download

Either

1. Simply download WeChat from App Store by searching WeChat.

Or

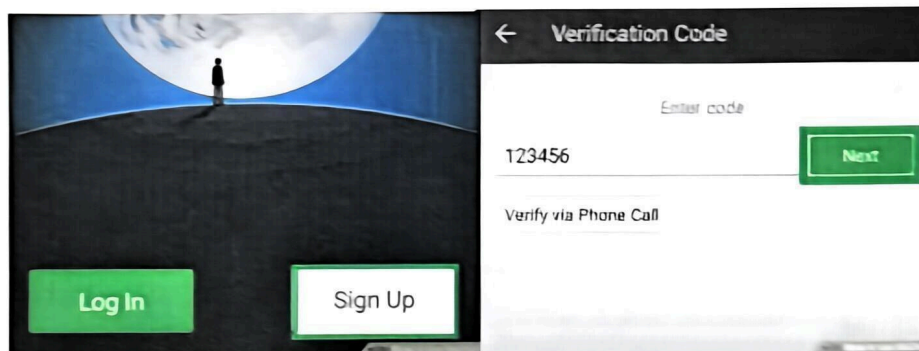

2. Download WeChat via the following website

<http://www.wechat.com/en/>

Step 2: Sign-Up

1. Open WeChat, click "Sign Up" and enter your phone number to get a text message with a verification code to complete the sign-up.

* If you don't get a verification code, click **No verification code received**, and then click "Resend" to get another text message, or click "Phone Call" to get an automated phone call with the verification code.

Potential Problem 1:

When sign in a WeChat account, it shows that "Contact a WeChat user" to verify the security check.

- ① Contact a WeChat user who meets the following conditions. (They do not have to be your WeChat friend.)
 - a. Signed up for WeChat over 1 month ago if they are an international user or over 6 months ago if they are a Chinese Mainland user
 - b. Hasn't completed "Help Friend Register" for other users in the past month
 - c. Hasn't been blocked in the past month
 - d. Has activated WeChat Pay if they are a Chinese Mainland user
- ② Ask them to scan the following QR code using WeChat.

Solution 1:

1. Contact us via e-mail (personneltraining@bricspic.org), and our personnel will contact you through WhatsApp;
2. Send us this screenshot in WhatsApp, we will help you scan the QR code.

Potential Problem 2:

Local phone number is not accepted while trying to register a WeChat account.

Solution 2:

We recommended you to ask one of your friends who **has the phone number of another data provider** to register a WeChat account and give the account to you.

Step 3: Join the WeChat Group

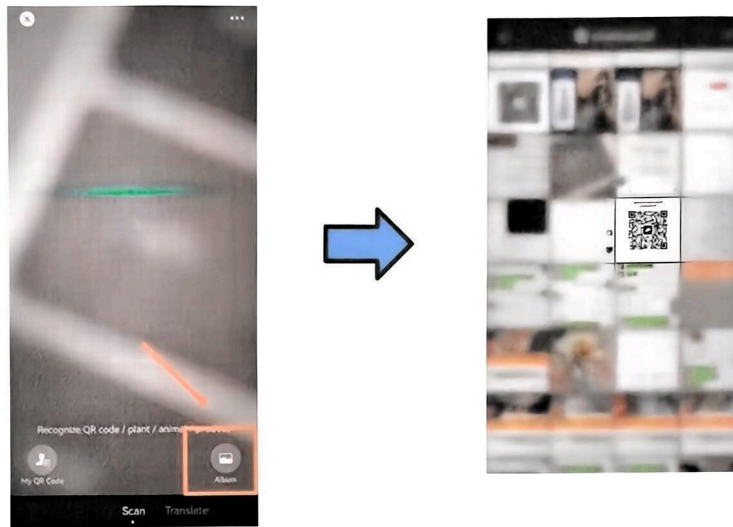

1. Save the picture of our WeChat group into your album.
2. Click the "+" icon at the upper right corner.

3. Then click the “Scan” in the pop-up.

4. Click the Album and Choose the QR code of our WeChat group in your album.

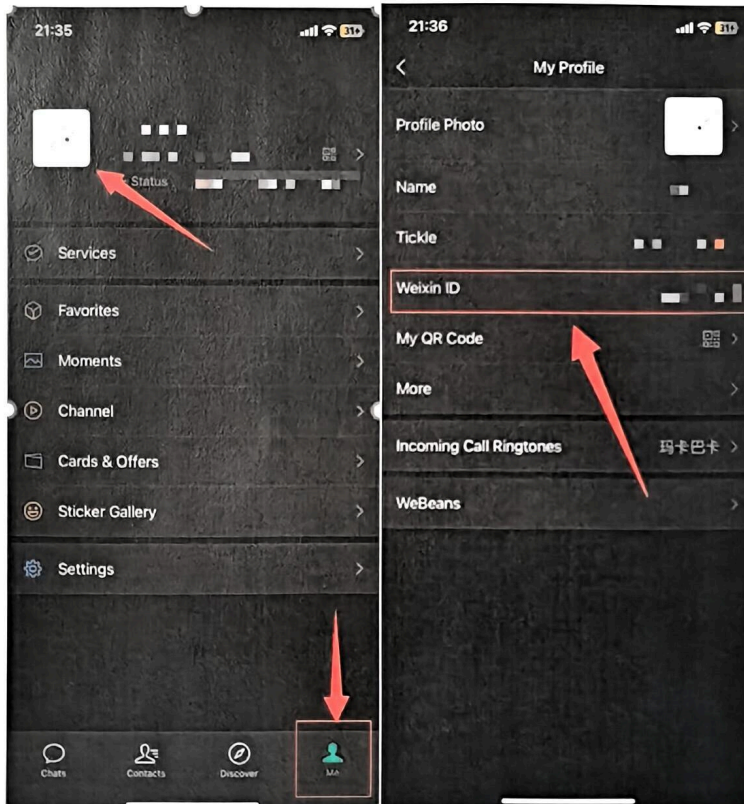

5. Click "Join the group"

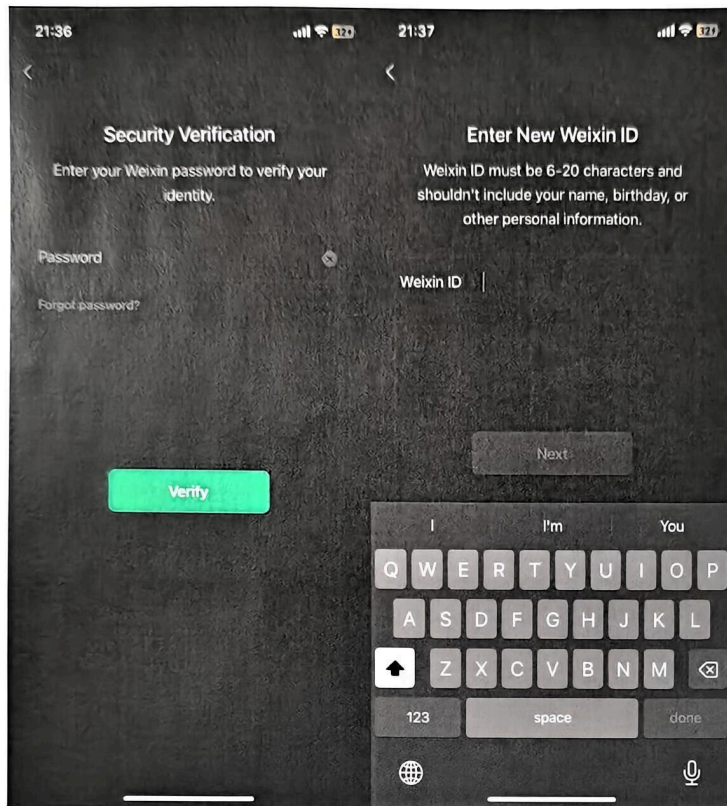

Step 4: Change Weixin ID

Please note that this step is necessary as our personnels couldn't add you as friend by searching your ID in WeChat if you don't change your original one.

1. Click your profile photo on "Me" Page and the choose Weixin ID.

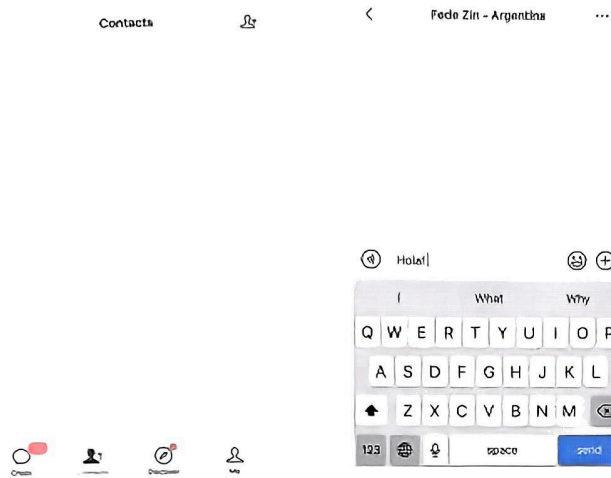

2. Enter your WeChat password to verify your identity and then you can set a new Weixin ID.

Step 5: Start a chat

Go to “Contacts”, click the friend’s name, and select “Messages” or “Voice or Video Call” to start a chat.

*** If there is any problem during the use of the app, please refer to the following link for specific solution: <https://help.wechat.com/oshelpcenter> or contact us via Email: personneltraining@bricspic.org.**
